Administrative Office of the Courts (AOC)

The AOC is a state agency that receives criminal record updates from county courthouses located within their jurisdiction (within a particular state). Contains felony and misdemeanor criminal records. Information may include: convictions, adjudication withheld, deferrals, first offender, pre-trial intervention and may contain some traffic violations.

Department of Corrections (DOC)

The DOC contains criminal records on individuals who are or have been incarcerated or supervised by the Department of Corrections. Information can contain current inmates, released inmates, parolees and probationers. Primarily contains felony convictions, but dependant on state may contain deferrals, adjudication withheld, first offender probation, pretrial intervention and serious misdemeanors.
